

End of Year basket 2024

“Our Ancestral ways”

In times of darkness, we choose to find light, sow hope, and stay resolute in our mission. Each item in our baskets carries with it the spirit of resilience, honoring the strength of our community to endure.

Crafted by local artisans and farmers, these gifts support sustainable livelihoods and preserve ancestral traditions.

By sharing them, you not only celebrate Lebanon's heritage but also join us in our work to protect and sustain it.
